

Within our manufacturing facility, we specialize in the research and production of battery energy storage systems, offering OEM and ODM services alongside our standard product line.

Can you provide OEM service? Yes, as a professional solar system manufacturer, we can provide customer-made service with OEM and on-site installation comprehensive support, and after-sales services.

We have been specializing in ICESS (Industrial and Commercial Energy Storage System) solutions for over 9 years. We currently have 87 employees, including 24 engineers.

DH100F is manufactured by Dyness for Autarco. Available for authorized dealers to order in Autarco's Helios order system. Battery-only cabinets suitable for use with our 3-phase hybrids will be available in the ...

Highjoule's 100kWh Outdoor Cabinet Series integrates the battery, BMS, EMS, modular PCS, and fire protection system into a compact, weatherproof unit. Its modular design ensures flexible deployment for ...

The Kamada Power 100kWh Battery Energy Storage System offers exceptional performance, making it suitable for a wide range of applications including farms, livestock facilities, hotels, schools, warehouses, ...

The 100 kWh outdoor energy storage cabinet adopts an integrated design concept, integrating the battery, battery management system BMS, energy management system EMS, modular inverter PCS, and fire ...

The HighJoule 100KWh Outdoor Cabinet Series supports RS485, CAN, Ethernet, and Modbus protocols for real-time data transmission. The integrated EMS platform allows for remote monitoring and operation, enabling ...

50KW-100KWH Brand Name PNG Dimension (L*W*H) 1300*1030*2100mm Weight 2150kg
Communication Port Rs485, CAN, RS-232 Protection Class IP65, IP54 Cooling Air Cooling Product name
Commercial ...

50kW/100kWh outdoor cabinet ESS solution (KAC50DP-BC100DE) is designed for small to medium size of C&I energy storage and microgrid applications. Individual pricing for large scale projects and wholesale demands ...
