

50kW Power Distribution and Energy Storage Cabinet

The SolaX ESS-AELIO is a high-performance C&I energy storage system featuring AFCI protection and IP55 rating. 50kW, 60kW are available, 100/200kWh. Contact us today!

Each kit includes 10 RUiXU 48V server rack batteries housed in a 10-slot pre-assembled cabinet, providing a compact and organized setup for energy storage, backup power, and off-grid applications.

Housed in a weather-resistant IP55 cabinet, it combines a 100kWh LiFePO₄ battery pack with 50kW charge/discharge capability, supporting real-time monitoring and remote control via Ethernet, RS485, ...

The Sunway 50kW/100kWh Outdoor Energy Storage System integrates high-performance lithium iron phosphate batteries, modular PCS, intelligent energy management, and a robust power distribution ...

Battery Energy Storage System Outdoor Cabinet,with outdoor hybrid inverter,customize power & energy available.

Equipped with advanced LFP battery technology, this 50kw lithium ion solar battery storage cabinet offers reliable power for various applications, including commercial and industrial energy storage, ...

This compact yet powerful energy storage commercial solution provides a versatile building block for distributed energy systems, EV-ready microgrids, and backup-critical operations.

Equipped with fire protection and flexible AC/DC configuration, its lightweight design enables easy installation, delivering a safe, efficient all-in-one energy storage solution.

This integrated cabinet combines power modules, batteries, cooling, fire protection, and smart energy management in a single rugged unit.This all-in-one outdoor ESS merges power, batteries, and safety ...
