

How do I find the best Gas & Electric deals in the UK?

Use Martin Lewis' trusted energy whole of market comparison to find the best gas and electric deals in the UK. Quickly compare prices and switch to save hundreds.

Are energy suppliers the cheapest?

Some energy suppliers and tariffs will come with green options, such as 100% renewable electricity or offsetting your energy use by planting trees. Whilst they might not be the cheapest, it may be the best energy deal for you. If these benefits are important to you then you can check what is currently available as you're comparing energy suppliers.
