

Les persones físiques residents legalment a Andorra, poden demanar un nombre màxim d'un ajut per comprar un vehicle nou de mobilitat elèctrica, d'autonomia estesa o híbrid endollable.

El Govern ha decidit prorrogar fins al 6 de desembre el pla d'ajuts a la compra de vehicles elèctrics i híbrids endollables e-Engega.

The table highlights current as well as announced key policies and measures that support the deployment of electric vehicles (EVs) and zero-emission vehicles (ZEVs) by region and country.

Together with the Automobile Club of Andorra, it also organizes "Electric Mobility Days," during which the public can try out various electric mobility solutions: vehicles, motorcycles, scooters, bicycles, ...

Andorra | Policy | The decree aims to promote renovation and improvement of the vehicle fleet to achieve energy savings with positive effects on the environment and road safety.

L'ajut econòmic per a la compra d'un vehicle nou de mobilitat elèctrica s'atorga una sola vegada al vehicle, sense que hi pugui haver duplicitat en el cas de transmissions successives del vehicle.

Notably, used electric vehicles (EVs) manufactured in and after 2013 are apparently eligible for incentives as well. Not just new EVs. In addition to those incentives, the local electric ...

El Pla e-Engega presenta un esquema de subvencions atractiu per als compradors de vehicles elèctrics i híbrids endollables. En el cas dels turismes, les subvencions poden arribar fins als 6.000 euros per ...

According to the market share of all vehicles on the road, Andorra is second only to Norway in the world for utilising electric vehicles. After Norway and the Netherlands, Andorra has the ...

Learn how Andorra is positioning itself as one of the leaders in electric mobility, with incentives and an expanding network of charging points.
