

# IP54 Outdoor Cabinet Fixed Type Cost Performance

At KDM, we are dedicated to meeting the cost-savings enclosure you need without compromising quality and the high performance you expect from your IP54 electrical enclosure.

KDM IP54 Enclosure What Does The IP Code Mean? What Does IP54 Mean? What Is The Difference Between IP45 and IP54? What Is Associated with The Letters After The Main IP Code? What Testing Do IP54 Enclosures undergo? Can IP54 Standards Be Converted Into Any Nema Type? Can IP54 Enclosures Be Used For Outdoor Applications? Is IP54 Waterproof? Are IP54 Enclosures Explosion-Proof? IP45 is more water-proof than IP54, but IP54 is more dust-proof than IP45. IP45 only protects from wires, not dust. However, it is able to withstand pressurized water. Meanwhile, IP54 repels most dust, fibers, and lint, but can only protect from normal water spray. See more on [kdmsteel](#).
