

Solar panels installed on the roof door-to-door delivery and installation

Door to Door Sales. Is It Legal? Sorting Out The Facts Know The False Door-To-Door Sales Pitches Benefits of Using Solar This type of sales typically represents (or misrepresents) national solar companies that do not have local sales teams. They are usually commission-only, 1099 subcontractors. This means they do not invest in, or work for, the company they are selling for. There is a concern if they do not work for a company that holds an electrical license, any rec...
