Malta Glass Recycling: A new life for solar Feb 13, 2025 &#183; A total of 75 tonnes of solar panel glass recycled by Malta was successfully utilized by Saint-Gobain in the production of flat glass.

Malta Float Glass Ltd (Malta Floatglass Ltd) - for any type of glass, mirrors, bathroom mirrors, stained glass, thermally insulated glass, double-glazing, solar control glass, glass doors, safety glass, etc.

Float Glass Limited is the leading glass manufacturer in Malta. With more than 40 years experience in glass production, Float Glass has built a reputation equalled by none.

Given Malta's warm climate, the 12 mm air chamber and the low iron tempered glass frit in each glass unit play a vital role in enhancing the building's thermal and acoustic insulation.
