

The 440W Panel joins the Vertex S+ series. With a Dual-glass design, the S+ offers high reliability to harsh conditions and better light trapping for high power outage.

The Trina Vertex S+ 440W Bifacial Solar Panel offers advanced energy generation technology with high-efficiency mono PERC cells. Its bifacial design captures sunlight from both sides, increasing overall ...

Produces 440W per square feet to optimize rooftops with space constraints. Independently generates renewable energy for electric bill savings. Trina 440W: Top-tier bifacial dual glass monocrystalline ...

We show you the best offers from leading and verified photovoltaic dealers. Compare prices for solar products with one click and save on every purchase. Make a non-binding inquiry; you can then ...

STC: Irradiance 1000 W/m, Cell Temperature 25 °C, Air Mass AM 1.5. \*Measuring tolerance: ±3%.  
NOCT: Irradiance at 800 W/m, Ambient Temperature 20 °C, Wind Speed 1 m/s. CAUTION: READ ...

Up to 450W, 22.5% module efficiency with high density interconnect technology, Multi-busbar technology for better light trapping, lower series resistance, improved current collection and ...

Buy Trina Solar Vertex S 440W 144 Cells Mono Solar Panel from Sunhub. SKU: TSM-440NEG9R.28

Trina 440 Watt 144 Cell VERTEX S+ Monocrystalline 30mm Black Frame N Type Solar Panel by Trina is a high-efficiency solar panel with up to 440W and 22.0% module efficiency.

All you need to know about the 440W solar panel including rating, cost, efficiency, and warranty terms.

Based on Multi-busbar technology for better light trapping, lower series resistance, improved current collection and enhanced reliability. Reduce installation cost with higher power bin and efficiency. ...
